Dear Dennis and Gerald:

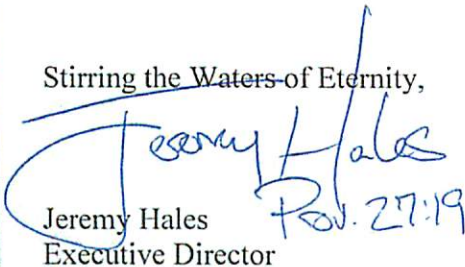

I am writing to thank you for your efforts on behalf of Skyview Ranch. God used you to answer our prayers in a miraculous way!

How frustrating it was to have paid insurance premiums, only to see our claim denied after a broken water pipe resulted in building damage of over \$16,000. We thought we were safe by insuring with a well-known insurer that claims to advocate for the Christian community.

I am so thankful that you responded to our prayer request crying out for help. We were not a client of yours and yet you rose to the occasion, offering assistance, insurance review, and advocacy on our behalf. Your diligent efforts, phone calls and expert review of coverage ultimately resulted in our claim being paid. Praise God!

Needless-to-say, Skyview Ranch is now a client of McMichael Insurance. Not only did you give us better coverage at a better price, but now I truly rest assured knowing that should another claim arise, McMichael Insurance will be with us every step of the way.

Stirring the Waters of Eternity,
